## Isaiah 58:10-12

Dear Family and friends

I cannot believe that this is our first newsletter for this year, it feels like so much has happened in this short time. Every time someone comes to visit again, they say that they can't believe that we have done so much, but for us, things are going to slow. As always, we are still busy building, although I don't think we will ever be done building at the Mission station.

We have ended last year with 35 children and now have 46 children, so I think it will be best if I start with a new family photo.

The Lord has really blessed us last year and also the beginning of this year, every day we have food to eat and proper clothes to wear. We cannot tell you where it is always coming from, but it is always there. Thank you so much for all your support through donations, contributions and prayer. Through you, we can look after these children and hope to give them a better future.

We had a really nice late-Christmas party for the children when they came back from the holidays. Some donors gave us presents for them and we prepared a nice meal for them, all of them enjoyed it very much.

We have sadly lost our sow and hog in December and sold all their offspring except for one, but fortunately someone gave us a new sow and hog and also another expecting sow. They are beautiful pigs and we hope that it will fare better with them.

Visitors came to visit us from Denmark and the USA, we always appreciate it when visitors are coming to look at the Mission station.

I would like to share with you some before and after photos of the Mission station, when I saw it, I couldn't believe we are only here for 2 years now.

Before

After

We are currently busy with renovating the boy's house and the rooms of the little ones, we have started tiling and painting the boy's house. The little boy's room is tiled and now just needs to be painted. There is now a glass door at the boy's front door and we have put in and moved a couple of windows to make the rooms lighter.

## PRAYER REQUESTS

Here are a few things that we trust the Lord for:  
A new, bigger vehicle to transport the children in.

Funds to finish the little boys new room

Funds to build a bathroom for the big boys

Volunteers to help us at the mission station

Funds for our living cost at the mission station
